DULLES DOMINATION

WASHINGTON, D. C., May (WNS)—President Eisenhower's recent appointment of Mrs. Allen Dulles to the board of visitors for the Federal Reformatory for Women at Alderson, W. Va., brings to four the number of the Dulles family holding high office in the current Administration.

John Foster Dulles, of course, serves as Secretary of State and his brother, Allen Dulles, heads the news-making Central Intelligence Agency. Dr. Eleanor Lansing Dulles, a sister and the first American woman to take a Ph.D. degree in international law, is a consultant in the State Department's Office of German Affairs.
